

Volunteer Policy

Thank you for your interest in being a volunteer in Faith Based Safe Car Camping. We appreciate that you care about the safety of others in our community who are temporarily without housing and need to sleep in their cars. The purpose of this program is to provide a location of safety for them. The following is a list of volunteer responsibilities.

Maintain Confidentiality: The volunteer in Faith Based Safe Car Camping is willing to sign a confidentiality statement. The participants in Safe Car Camping are entitled to their privacy so it is important that you do not tell others about the names or arrangements of the campers even if you are or become personally better acquainted with them.

Complete the permission statement for a background check: The volunteer will also be required to give permission for the organization to conduct a background check. Please disclose if there may be something that will show up on a background check that needs to be considered. Participation as a volunteer in a program where the safety of all participants is of high concern is contingent on the discussed results of the background check.
